“ *Wilma was my landlady for about 4 1/2 years, and she really helped me out in a crunch. I loved living in her little basement, and all my sympathies with her sons and their families, as well as her sisters and their families.*

“ Our sympathies to your family on the passing of Wilma. Our prayer is that the Holy Spirit will be a source of comfort to you during this time of loss. She is in the presence of the Lord where there is joy unspeakable! It is a testimony to both your Grandmother and Mother that the Christian faith was passed along to Gary and he has done the same for his children. The heritage of the generational passing of the faith is a marvelous thing indeed. Our thoughts and prayers are with you.
